

MUHAMMAD AHSAN KHALID

SENIOR ACCOUNTANT

Lahore, Punjab, Pakistan | +92 300 1234567 | ahsan.khalid@email.com | linkedin.com/in/ahsankhalid

PROFESSIONAL SUMMARY

Detail-oriented Senior Accountant with 8+ years of progressive experience in financial reporting, reconciliation, budgeting, and audit management for manufacturing and FMCG sector companies. Proven track record of tightening month-end close from 12 days to 5 days, reducing reconciliation errors by 40%, and leading teams of junior accountants. ACCA Affiliate with strong command of IFRS, ERP systems, and statutory tax compliance under FBR regulations.

CORE COMPETENCIES

Financial Reporting (IFRS) • Budgeting & Forecasting • General Ledger & Reconciliation • Accounts Payable/Receivable • Payroll & Tax Compliance (FBR/SECP) • Internal & External Audit • Cost Accounting • ERP Systems (SAP, Oracle NetSuite, QuickBooks) • Advanced Excel & Power BI • Team Leadership

PROFESSIONAL EXPERIENCE

Senior Accountant | Ferozsons Industries Ltd., Lahore

Mar 2021 – Present

- Lead month-end and year-end close process for a PKR 4.2B revenue division, cutting close time from 12 to 5 working days through process automation.
- Prepare and review consolidated financial statements in compliance with IFRS and companies' ordinance requirements, presented directly to the CFO.
- Manage a team of 3 junior accountants, reviewing journal entries, bank reconciliations, and vendor ledger postings.
- Coordinate annual external audit with Big-4 auditors; reduced audit observations by 35% through improved documentation controls.
- Own the annual operating budget (PKR 6.5B) and monthly variance analysis, flagging cost overruns to senior management.
- Implemented an automated bank reconciliation macro in Excel/VBA, reducing reconciliation errors by 40% and saving 15 hours per month.

Accountant | Nishat Mills Limited, Faisalabad

Jul 2018 – Feb 2021

- Managed accounts payable cycle for 120+ vendors, ensuring timely payments and 3-way matching of purchase orders, GRNs, and invoices.
- Prepared monthly sales tax and withholding tax returns, maintaining 100% on-time FBR filing compliance.
- Performed fixed asset accounting including capitalization, depreciation schedules, and physical verification for assets worth PKR 900M.
- Assisted in transition from legacy accounting software to SAP FICO module, training 6 staff members on the new system.

Junior Accountant | Packages Limited, Lahore

Aug 2016 – Jun 2018

- Handled day-to-day bookkeeping, general ledger entries, and petty cash management for the finance department.
- Reconciled bank statements and intercompany accounts on a weekly basis with zero material discrepancies.
- Supported internal audit team in walkthroughs and testing of expense reimbursement controls.
