SENIOR EXECUTIVE SERVICE MEMBER / DIRECTOR FINANCE, SYSTEMS AND BUDGET GROUP 01/2004 to 01/2012 Federal agency responsible for Medicare, Medicaid, the State Children's Health Insurance Program (SCHIP), and health insurance portability standards Oversee financial and information technology operations for Medicaid and the State Children's Health Insurance Program (SCHIP). Develop and administer budgets and supporting documentation; coordinate financial, survey, and certification issues with the Office of Financial Management, Center for Medicaid and State Operations (CMSO) Groups, and other state and federal agencies. Create policies and procedures; monitor and reconcile state expenditure and monthly accounting reports; issue quarterly Medicaid and SCHIP grant awards. Lead system enhancements, application development, and quality improvement activities; review and certify State Medicaid Management Information Systems (MMIS). Collect data for the Medicaid Drug Rebate Program; survey and certify health care providers and suppliers. Ensure Medicaid PART and GPRA compliance with annual performance budget; represent Medicaid in development of National Electronic Data Interchange Standards. Provide technical guidance for Medicaid Statistical Information and Federal Upper Limits systems; coordinate Medicaid fraud and abuse investigations. Administer annual operating budgets of \$100 million and up; participate in administering the \$300 billion federal/state Medicaid program. Supervise up to 125 employees. Enabled seniors to receive prescription drug benefits for the first time by implementing services mandated by the 2003 Medicare Prescription Drug Improvement and Modernization Act (MMA). Led multiple initiatives to improve fiscal responsibility, including: MMA Phase-down State Contribution (the basis for \$8 billion in annual state Part D payments), in which states return funds to the federal government for citizens with dual eligibility for Medicaid and Medicare. The addition of 100 auditors in 10 regional offices to educate states employees about Medicaid policies and monitor related spending. Automation of the Medicaid drug rebate program as part of the 2005 Deficit Reduction Act (DRA), facilitating rebate calculations for states and more than 400 drug manufacturers. Enhanced operations and positioned agency for additional efficiency with: Adoption of the 2009 American Reinvestment Act (ARRA), which paves the way for the use of electronic health records throughout the nation's health care system. Development of an IT strategy designed to standardize the technical environment and educate Medicaid Directors and state CIOs/CTOs about enterprise architecture. The federal government contributes \$3.5 billion annually to state system development.). Company Name City , State VICE PRESIDENT & MANAGING DIRECTOR 01/1996 to 01/2002 Global credit insurer and Allianz subsidiary with 6,000+ employees in more than 50 countries Developed, documented, and implemented credit policies, procedures, and practices. Created a risk rating system and trained managers from Belgium, England, France, Italy, Spain, Mexico, Brazil, Hong Kong, Singapore and Shanghai to use it effectively. Managed P&L; for all satellite offices in the U.S., Canada, and Mexico, as well as information budgets for Europe, Hong Kong, Singapore, and Shanghai.

Supervised 67-person professional and administrative staff and provided calm and stable leadership through three ownership changes. Turned a \$40 million corporate loss into \$5 million pretax profit in one year by restructuring and repositioning an international company for dynamic and profitable expansion in the U.S. Reduced risk by more than \$674 million while developing a \$2 billion export portfolio. Eliminated \$500,000 in annual expense by renegotiating contracts. Salvaged an underperforming operation by: Redirecting corporate focus to reinsurance and adequate capitalization. Separating sales and risk management to eliminate inherent conflicts of interest.
