I keep very good notes of things I have done and what the outcome is, and if any concerns the patient might have that I need to get answers for. Experience September 2015 Company Name City, State Home Healthcare Technician I am currently working full time as a home health Patient care technician, I am looking for a position in a medical center or office setting. They currently do not offer benefits, and no paid holidays and no paid vacation. I would like a full time position, with benefits package. April 2015 to May 2015 Company Name Professional Experience Certified Nursing Assistant with home health care and hospice care experience. Proven record of reliability and strong ability to establish rapport with patients, family and staff. Also Certified in Phlebotomy, EKG and CPR. March 1998 to July 2002 Company Name City, State Admitting Clerk I Emergency Room Clerk I loved my job at Carraway because people needed someone who understood the problems they were having and not judge them. I interacted with not only the patient but the Nurses and Doctors also the families of the patients. Some of these families were receiving the worst news of their lives, some were getting wonderful news, so I was there to celebrate and to mourn or just for them to lean on for a moment. February 1989 to March 1993 Company Name City, State Certified Nursing Assistant I cared for residents of all ages, helping with their daily activities such as bathing, dressing, oral care, exercise. I cleaned the room, changed the bed linens, dusted, put things away for them. I would read to them, help them with anything they needed help with. Education and Training 2015 Jeremiah's Hope Academy City, State, United States Patient care tech./ EKG Tech., Phlebotomy Tech. This program taught me Patient care technician with Phlebotomy, EKG and BLS CPR. I did very well in all my classes and in my clinicals I also was taught extensive medical Technology. Also teaching me that healthcare is very important in everyone's daily lives. Wallace State Community College City, State, United States Paralegalism I did not graduate because my husband and I had parents that got very sick, so I had to stop school and take care of our parents. While doing this I realized I wanted to go back into the medical field so I could make a difference. 1993 Dora High School/ Wallace Community College City, State, United States GED : General Studies General Studies. I went to Dora High School in 1978 but did not return. I then took my GED and achieved that in 1993.
